

## Celsius (sel-see-us) Outdoor Kiosk

The Celsius is Gotham tough and Hollywood pretty.

**The Celsius outdoor kiosk features** a combination of functional styling and rugged durability in a kiosk package that's both extremely affordable and remarkably attractive. The Celsius can accommodate numerous applications, and it provides an attractive ROI for owners who take advantage of its efficiencies.

The Celsius can withstand a variety of harsh weather environments, maintaining functionality in temperatures between 0 and 110 Fahrenheit. The unit is also designed to endure the rigors of high-volume public use. The Celsius is easily and efficiently installed and maintained, and it can capably support a rapidly growing list of optional accessories.

Although the Celsius can be utilized for functions such as printing and scanning identification cards, bill payment, and check-in/check-out, it is also commonly relied upon for informational applications. For instance, the model can also be used to display directory/wayfinding information.

### Many clients use the Celsius Outdoor Kiosk for the following:

- **Outdoor Applications**
- **Printed Security/Identification Cards**
- **Card Reading/Scanning**
- **eConcierge**
- **Check-In/Check-Out**
- **Bill Payment & Ticketing**
- **Business Directory/Wayfinding**
- **Web-Based Applications**
