

Sliivr (sli-ver) Floor Standing Kiosk Line

The Sliivr is proof that true beauty is more than skin deep.

The Sliivr's standard 19" LCD display is highlighted by the sleek, smooth and attractive architecture of the surrounding steel enclosure. Designed to be the perfect informational kiosk, the Sliivr is often utilized for marketing and advertising purposes. The Sliivr's inviting design is a great choice for applications such as way-finding, in-store cataloguing and product showcases, as well as directories. The internal peripherals are all modular designs for quick hot and cold swapping and easy, unobtrusive maintenance.

The Sliivr is also available in a sit-down model that provides an aesthetic backdrop for users who may be stationed at the kiosk for at least a few minutes.

Many clients use the Sliivr Kiosk Line for the following:

- Business Directory/Wayfinding
- In-Store Cataloguing/Product Showcases
- Surveys & Lead Generation
- Human Resources
- Check-In/Check-Out
- eConcierge
- Recording/Photos
- Branding/Advertising
- Sponsored Messaging
- Web-Based Applications
