

## Utility Kiosks

Phoenix Kiosk, Inc. works with utility companies to complement their marketing efforts.

**Utility Kiosks can be used to engage customers** about alternative energy sources and other potential uses. For example, utility kiosks can focus on the benefits of solar energy. Also, a phoenix kiosk outdoor kiosk can withstand extreme hot or cold temperatures, allowing utility companies to reach their target audience regardless of time or location.

### Utility Kiosk Applications

Although Phoenix Kiosk specializes in developing custom software, many of our clients utilize their own proprietary software to run their kiosk applications.

Following are examples of their Utility Kiosk applications:

- Estimate and Display Current Energy Consumption
- Learn About Energy-Saving Ideas/Methods
- Estimate Alternative Energy Savings
- Pay Their Bill
- Manage Their Account

*“The kiosks look sharp, work wonderfully, and all the orders have gone smoothly.”*

*– A marketing agency serving alternate energy providers*

### Utility Kiosk Benefits

Phoenix Kiosk's applications demonstrate proven benefits for both utility companies and their customers, including:

- Consumer Awareness/Education
- Reduced Energy Consumption
- Product/Brand Awareness
- Timely/Convenient Payments
- Customer Satisfaction

*“I think you guys have a quality product.”*

*– A utility company based in the Southwest*

**Just ask Phoenix Kiosk** how we can improve your organization's bottom line. We are here to help you achieve your goals!
